# GETTING STARTED

## Setting up Twitch account

I'm sure you've already got a Twitch account if you're looking for this, so I won't bore you with the details. However, I will give you some information you may find useful.

Streaming Tools:

Gamecaster

XSplit Broadcaster

Twitch Studio

OBS

Streamlabs OBS

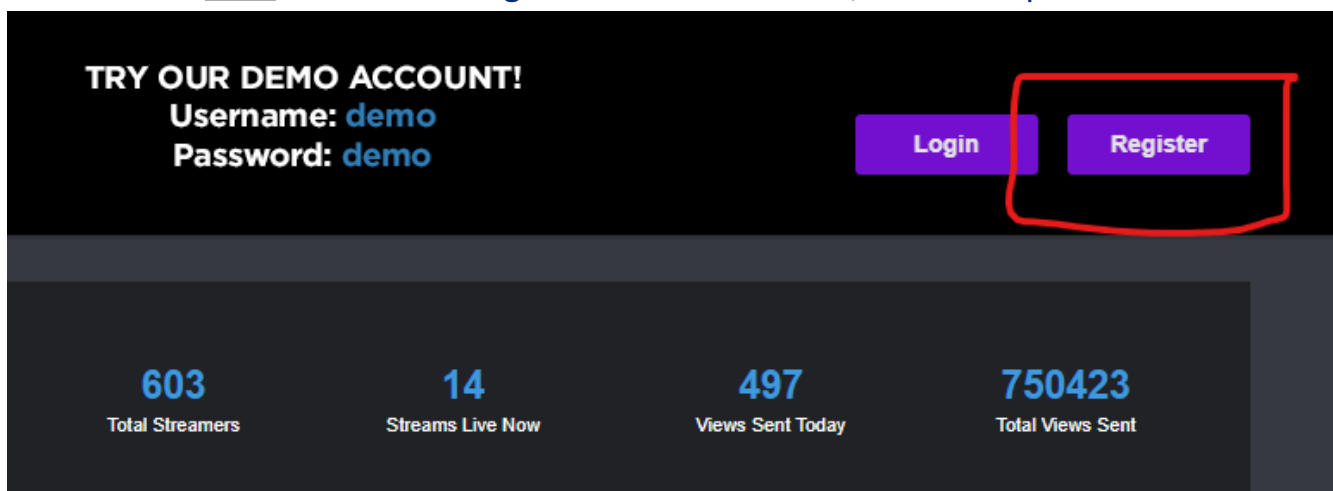

---

# SIGNING UP

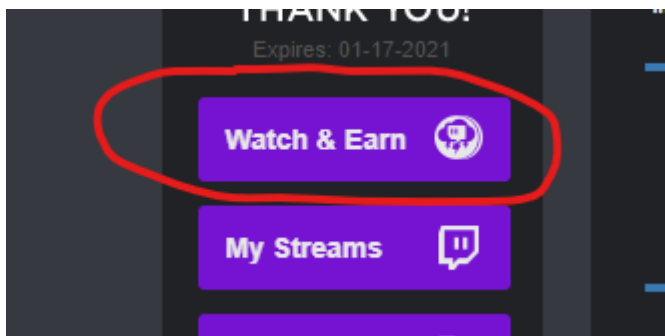

Join the website below

This is an awesome FREE tool that allows you to earn free stream viewers with little effort. Here's how you get started.

1 – Join with [THIS link](#) (non-ref) and register with a username, email and password.

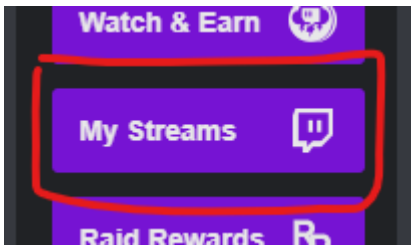

2 – Select "Watch & Earn"

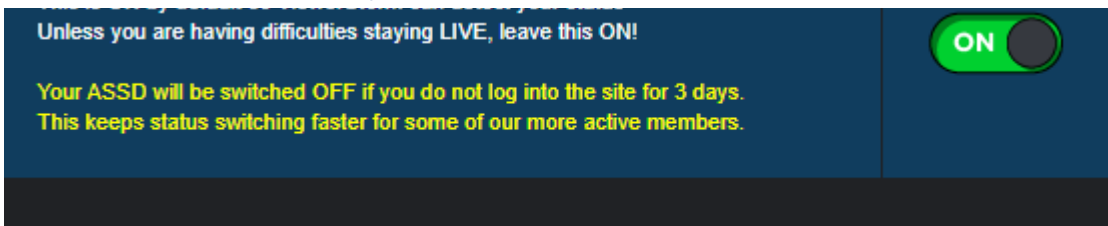

3 – You will be given two options. Automatic gives you less points (1.0 instead of 1.25 for free members) but Click2View requires you to start a new session every 10 minutes. Choose whichever is best for you. (ps. 1 token = 1 viewer for 10 minutes)

Click2View Sessions		<< CHOOSE VIEW METHOD >>	Automatic Sessions	
FREE	PREMIUM		FREE	PREMIUM
10 Minutes	10 Minutes	Session Time in Minutes	15 Minutes	15 Minutes
1.25 Tokens	2.5 Tokens	Token Earnings Per Session	1.0 Token	1.0 Tokens
Unlimited	Unlimited	Daily Usage Limit	10 Streams	Unlimited

4 – After earning some tokens, select “My Streams” and add your channel’s username

5 – Ensure ASSD (Automatic Stream Status Detection) is enabled in order to allow your stream to enable when you’re live

BONUS – You can also exchange your points for Steam Keys. Select “Game Keys & Prizes) and redeem your tokens for points!
