METHOD NO.1
MAKE 100-300$ DAILY INSTALLING AND USING BRAVE BROWSER

1st. **Download and Install Brave** browser from their official website: [link here](#)

"*The **brave browser** is a fast. Private and Secure web **browser** for PC and mobile. it block ads and trackers. Download now to enjoy a faster ad-free **browsing** experlence.*"

2nd. **While using Brave browse**r, create an account on [Brave Creators](#). So far, so easy. Right?

3rd. Then, you'll have to login into your account and connect to your **Uphold Wallet** and complete your **Uphold Account.**

This should not take more than 1-5 minutes, but If you have any trouble, feel free to check this tutorial from Youtube: [link here](#)

Using Uphold wallet you will be able to withdraw your earnings from Brave Creators to your bank account, credit card, Paypal, other cryptocurency wallets and so on.
Uphold uses Basic Attention Token (BAT), 1 BAT = 0,220995 USD, but you will be able to convert them in USD, EUR etc. when you withdraw them (**NO** fees)
You can watch BAT's coin evolution on [CoinMarketCap](#)

4th. While you are logged on Brave Creators Dashboard, click on "**+Add Channel**" and select YouTube channel and connect with your own YouTube channel (you can have 0 subs, no problem)

You have to do this so then, you will have a referral link. *You don't actually need to promote Brave on YouTube, you just need that referral link.*

5th. Congrats. You are at the final and most rewarding step. 5. Share that referral link to your friends, facebook groups, anywhere and you will earn **2-7.5$** for everyone who downloads Brave browser FOR FREE from your link. And they will do it since it is a brand new Browser, with great features.

You have a facebook chat with like 10 friends in it? ---> **20-75$ (in minutes!)**
You can post on your school/college etc. facebook group (a good method). You easy get 20 of them? ---> **40-150$**
You have relatives (who tf does not?). 5-10 will be gladly to do this for you ---> Again, up to **75$**

Disclaimer #2: *A delay will exist. Your referrals won't appear in your dashboard in few minutes. The platforms updates every few hours. So, don't be nervous. Also, they have to keep the browser installed for a few amount of days before they are confirmed as your referral so you can get paid. But, these 2 points are not actually real problems. It was my duty to inform you.*

PAYMENTS: are done at day #8 of every month. Until 8 Feb or 8 March, you can start making a lot of cash.
